

EKADANTA

A DISTINCTIVE ADDRESS IN KANDIVALI EAST

PORCELAIN WHITE / CHAMPAGNE GOLD / SILVER GREY

Artist's impression

A place to call your own.

Buildcon Ekadanta | Ashok Nagar, Kandivali East

Room for everyday life.

Ekadanta brings residential spaces and everyday convenience into one address. Explore the original brochure's 2 BHK and 4 BHK plan illustrations, shared recreation spaces and arrival concept. Unit configurations remain subject to project documents.

Interior artist's impression; furniture and finishes are indicative.

BY ANAAYA BUILDCON CONSTRUCTIONS LLP.

Thoughtful homes. A connected neighbourhood.

An elevated welcome.

The revised design brief shows ten shops and a raised frontage.

+3 FT

ABOVE ROAD LEVEL

The revised design brief raises the ground-floor level 3 ft (914 mm) above the road. The illustration shows a shop forecourt with steps and ramp access.

A coordinated palette of porcelain white, champagne gold and silver grey creates a consistent identity from the street frontage to the upper floors.

Illustrative revision. Floor count, levels and access details require sanctioned architectural verification.

Make more of every day.

Places to move, pause and spend time together.

01 A welcoming arrival

Double-height, air-conditioned entrance foyer; ornamental entrance gate and covered security cabin.

02 Time to unwind

Gymnasium, pool table, table tennis, chess and carrom.

03 Room for everyone

Children's play area, senior citizens' seating and a furnished society office.

Amenities are described in the original brochure. Availability, specification and execution require project confirmation.

Typical floor reference

Original brochure layout; current floor allocation requires confirmation.

Source brochure reference. Geometry and embedded labels are retained; current unit mix, areas and dimensions require sanctioned-document verification. This plan does not certify the revised elevation.

2 BHK plan reference

An individual view of the two-bedroom layout.

Source brochure reference. Geometry and embedded labels are retained; current unit mix, areas and dimensions require sanctioned-document verification. This plan does not certify the revised elevation.

4 BHK plan reference

An individual view of the four-bedroom layout.

Source brochure reference. Geometry and embedded labels are retained; current unit mix, areas and dimensions require sanctioned-document verification. This plan does not certify the revised elevation.

Floor perspective reference

A three-dimensional overview of the residential floor.

Source brochure reference. Geometry and embedded labels are retained; current unit mix, areas and dimensions require sanctioned-document verification. This plan does not certify the revised elevation.

Spaces that feel personal.

A fresh perspective on everyday interiors.

Rest. Recharge. Repeat.

A comfortable bedroom and a practical kitchen shape the rhythm of home. These interior impressions complement the layouts and offer a sense of how the spaces can be furnished.

Interior images are refreshed artist impressions; furniture, finishes and decor are illustrative.

Considered essentials.

Services described in the original project brochure.

Parking & movement

The original brochure describes a separate 15-level parking tower, ground-level guest parking and a stretcher lift in each wing.

Security & access

24-hour security with intercom facilities and HD CCTV coverage in common areas.

Building services

Fire-fighting systems and DG backup for elevators, water pumps and common-area lighting.

Structure & finish

Earthquake-resistant RCC structure and weatherproof external texture paint.

Service specifications and delivery require confirmation against current approved project documents.

Review edition. Visuals, maps and source plans are indicative. The revised elevation depicts an additional floor, ten shops and a ground level 3 ft above the road as design requests; sanctioned approval is not established here. Original plan geometry and labels are retained for reference and do not certify these revisions. Current registration, unit mix, areas, amenities and specifications must be checked against approved project documents.
